**PUBLIC MEETING**  
**September 26, 2023, at 4:30pm**

A public meeting of the Onalaska Water Supply Corporation will be held at the Onalaska Water and Gas Supply Corporation principal office, located at 1598 FM 3459, Onalaska, TX, 77360, on Tuesday, September 26, 2023, at 4:30pm.

The purpose of this meeting is to give the citizens of our area an opportunity to become acquainted with and to provide comments on the proposed Onalaska W.S.C. – Water System Improvement Project 2023.

Proposed project will include: Plant No. 1 improvements; drilling/completing one (1) additional deep well, installing three (3) booster pumps, installing a one (1) new hydro pneumatic pressure tank, installation of one (1) natural gas generator. Plant No. 2 improvements; construction of one (1) ground storage tank, installation on one (1) additional booster pump, installing one (1) natural gas generator. Plant No. 3 improvements; drilling/completing two (2) new deep wells, construction/connection of one (1) elevated storage tank, construction of one (1) ground storage tank, construction of pump building and treatment facilities, installation of raw transfer line, installation of one (1) natural gas generator. Plant No. 5 improvements; drilling/completing two (2) remote wells, installation of raw water transfer line, construction of one (1) ground storage tank, adding one (1) booster pump, and installing a natural gas generator.

For further information, please contact Onalaska Water Supply Corporation at (936) 646-5393.
